If you are not coming to have fun with your dog, then this is not the trial for you. We are here to have fun and make it as great of an experience as we can. These trials are very laid back and take place in a relaxed atmosphere. No aggressive dogs or people are allowed!!

We will kinda run on some type of schedule. If the exhibitors come out and help set jump heights then the trials run quite efficiently. If no one helps, then as main workers get tired, the trial will run late and slow. We appreciate your help and thank you in advance.

Metro Sports Center offers a full concessions stand and **does not** allow food to be brought into the Center; only treats and water for your dog will be permitted.

Good luck to all of exhibitors!!!

Swap Runs (if offered): We are offering the option of running an extra round of Chances or Jumpers, but you must give up a jumping round to do so. You can give up a round of either Regular or Jumpers to gain an extra round of Chances, or a round of either Regular or Chances to gain an extra round of Jumpers. You cannot gain an extra round of Regular, and you cannot run more than four rounds of jumping classes. If you wish to do this, you must notify the Trial Secretary BEFORE the first course of the trial is built!
